

All Salty Seas brand shellfish are manufactured in our GFSI certified processing plant. We start with freshly harvested shellfish from some of the most pristine ocean waters in the USA. Combined with our special processing from Ocean to Frozen using state of the art pressure steaming and cryogenically freezing technology, finishing with proprietary butter and topping recipes cultivated by top chefs!

All of these processes come together to provide a one of a kind luxury Seafood experience for your customers.

**SUSTAINABLY
Harvested
in the U.S.A.**
